

Friday 16th March 2018

Dear Parents and Carers,

I have no idea where this half term is disappearing to – the rate at which the Easter holidays are approaching is phenomenal! I know this is Mr Faris’s favourite time of year and looking at the events on the horizon, it is easy to see why with the bake sale next Thursday after the Church service, Easter Egg raffle, guess the number of eggs in the basket, Easter crafts at the sleepover tonight and my personal highlight of the Easter Egg hunt on Monday 26th March. A huge thank you to the very supportive Parent Council for arranging the majority of these events.

A massive thank you in advance to the staff helping out in the sleepover tonight, particularly those who are staying over, for taking additional time out of their weekends and family/friends time to give our pupils a wonderful opportunity. I really appreciate all that our staff give. Thank you. If you have a child staying over – see you at 8:30am!

Children should be reading with an adult at home daily to help improve their knowledge of vocabulary and their understanding of different types of texts.
KS2 parents will receive a booklet about reading this week. If parents have any questions or concerns about reading with their child, please speak to Mrs Henderson or the class teacher.
