

Friday 28th September 2018

Dear Families,

It was lovely to see some sunshine this week and enjoy the last few days of warmth before autumn really begins to take a grip. We have been visited by a couple of creatures this week: Max found a dragonfly and Oliver found a mouse. Both boys showed kindness in their concern for the creatures. Well done boys.

It was lovely to see so many families join us for our Harvest Breakfast this morning. Thank you to all those of you who attended and those who donated food. We are still collecting items for the Women's Refuge so please send any donations to the office.

Enjoy the weekend

Best attendance of the week goes to
Onyx Class with 100%
Whole school attendance: 94.89%
(target 97%)

Reminder!

Water bottles: Please make sure it is only water in bottles. Children can have juice at lunch time in their packed lunch boxes.

Daily mile 360 miles

We have travelled through Slovenia and visited the capital Ljubljana. Our next stop was the capital of Croatia, Zagreb. We are now on our way to Bosnia and Herzegovina.

Onyx Class

Charley, Issy, Gui, Jessie, John, Tyler, Isabella, Isobel, Ethan, Junior, Henry, Lillyann, Danny, Lilah.

Head Pupil corner

This week has flown by! Spanish is well under way. We have had the Harvest breakfast. Thank you for all of you who came. The Daily Mile is getting better and the arts and crafts for KS2 is going very well.

Have a nice weekend.

Henry & Junior ☺

Sapphire Class has been creative this week writing character descriptions of the Minotaur. They have been impressing Mrs Henderson with their use of powerful adjectives and prepositions. In maths the children have continued to look at place value representing numbers in different ways. Year 3 have been finding ten more or less than a number and Year 4 have been comparing and ordering numbers.

This week in Onyx Class we have been writing, writing, writing! Having been immersed in our text 'Holes' for the past couple of weeks, we have finally had the chance to write our own letters, trying to appeal to a judge to release us from Camp Green Lake! Everyone has been working so hard to improve each sentence they write; using their great ideas and persuasive language to convince the judge they are entirely innocent. Look out for some examples of our super writing appearing on Class Dojo very soon! We have also been working on our number facts in Maths, in particular number bonds that make 1, 10 and 100. Please keep practising these at home whenever you can!

In Amethyst class this week we have been busy writing instructions for our chocolate dinosaur nests. Year 1 have been learning their bonds of 5 and Year 2 have been using their expanded method to add two 2 digit numbers.

What a busy week Amber class have had! We have been discussing what makes a good friend and linking ideas to our Class Rules and Hearts Values. We have even begun writing what a good friend is using initial, medial and final sounds we have learnt in ERR! With numbers, we have been exploring the number two and counting on from given numbers matching each numeral with an amount of objects. Added to that: forest school, PE, gym trail and particularly, the nursery children have been exploring colours and textures making play dough and learning amazing vocabulary alongside it. I think Amber class can have two days off now - they have worked so hard!
