Dear Families

After what was a very hot summer, another school year has already begun! I hope you all had a well earned rest and are eager to continue all of the hard work that took place last year. I am very excited about the year ahead, with many exciting events, trips and opportunities planned for all of the children. The teachers are raring to go; the roof has been successfully repaired over the summer and the children looked incredibly smart this week.

I truly hope everyone has a fantastic year and I look forward to seeing you all throughout the next few weeks.

Regards,
Mr Saunders
