

Friday 9<sup>th</sup> March 2018

Hello, I am Louise Johnson and I have worked at The Wickford Church of England School for eleven years but Head Teacher for the last five. I work closely with supportive parents and governors and together we contribute to the success of our school. We work together as one community with a common purpose – to ensure that our children are happy and successful, developing a lifelong love of learning.

I started working with Stambridge Primary School four years ago, when I introduced the current approach to phonics. In October, my contact with the school was re-established and progressed through to supporting the team during the recent Ofsted Inspection. In the coming term I look forward to spending more time with the children at Stambridge and the fabulous team that work here.

In the near future Mrs Johnson will be holding an assembly to introduce herself formally to the children

Best attendance of the week goes to Crab, Sea Turtle and Nautilus classes with **100%**  
Whole school attendance: **99.17%**  
(target 97%)

Max achieved the dizzy heights of Platinum with his incredible homework all about The Crocodile Hunter Steve Irwin. We were unsure whether it was a leaflet, a book or an encyclopedia but nevertheless the entire school were very impressed with Max's efforts.

**Daily Mile – The European Tour**  
Total so far this term – 721 miles  
60 miles this week snow made travelling difficult

The entire school looks fantastic with the character dress up efforts. Altogether we have raised £47.00 which will be donated to the school council to buy something of their choice, for our library.
