

Homework Grid – Onyx Class

Our topic this term is 'You Gotta Fight For Your Right'.

Creative homework is a long term project designed for parents and children to work on together. You must do the middle square and then two activities either side to form a straight line. You may do more than this if you wish.

You will still need to read at home and complete your homework heroes sent home on a Friday.

<p>Create a fact file about someone who has fought for equality in the world.</p> 	<p>Research who Elizabeth Fry is and present your findings.</p> 	<p>Create a collage of what you may find down Brick Lane.</p> 
<p>Create a miniature animal habitat. Think about how the animal adapts to this habitat.</p> 	<p>Write your own diary entry from the viewpoint of Stanley.</p> 	<p>Create your own piece of protest art. Maybe you could use Banksy for inspiration.</p> 
<p>Write simple instructions to guide someone through how to log on, open a document and save it on a computer.</p> 	<p>Design and create something that could help you around the house.</p> 	<p>Write a persuasive speech about something you believe should change in our world.</p>
