Mr L Faris Head of Federation

Mrs H James Head of School

Dear families,

On Friday 22nd September, we are holding another Harvest Breakfast in the school hall from 8:15am. We would very much like it if you could join us.

Harvest is a time to come together and be thankful and appreciative for all that we have and so, like last year, each class has been allocated an item of food to bring to the breakfast to share with others.

Crabs - Cereal

Turtles - Bread, crumpets, brioche and other similar items

Octopus - Juice

Nautilus - milk or yoghurt.

Traditionally, items of food are donated to a local cause. This year, we hope to donate tea, biscuits and toiletries to a Women's Refuge set up by Pathways. They have a local refuge in Vange (although some of their services are based in Rochford) and we hope to do a drop off of donated items in the week following the Harvest Breakfast. We hope you will support this cause with us.

Mrs H James

Head of School
