

Friday 21st September 2018

Dear Families,

This week we welcomed our Nursery children to Stambridge and they have settled in brilliantly. After a few initial tears the children were soon joining in, playing and making new friends. They have had a busy week staying for lunch, participating in Forest school and P.E. as well as joining in the Daily Mile. I am sure they will continue to blossom at Stambridge and we look forward to getting to know them.

We finish on a blustery note this week which reminds us that the colder and shorter days will soon be upon us. In this changeable weather it is important that we are all prepared for wet weather so can I ask that children all start bringing their coats to school.

Have a lovely weekend and try not to get blown away!
