

Friday 8<sup>th</sup> December 2017

Dear families,

Thank you to all who attended the various events at school this week – Christmas dinner, The Breck Foundation e-safety talk and our Christingle today. I know Lorin talked for longer than originally booked for but you could have heard a pin drop in the hall during her talk. Her engaging nature, factual yet honest recount and advice drew you in much the same as it did with all the staff in September. 53% of our pupils were represented by a family member at this talk and it is the job of all of us to ensure our children are making safe and considered choices so if you missed this talk, please catch up with either a member of Parent Council or a member of staff if you wish to learn more [www.breckfoundation.org](http://www.breckfoundation.org) has key points and advice on it. A huge thank you to the staff members who gave up a lot of time after school to run the creche and the club rooms; without them, the event would not have been the success it was.

See you tomorrow at the WI Hall between 11 and 2 for the Stambridge Christmas Bazaar.
