

# Topic Web – Summer 2018

## Year 5 & 6

### PE:

This term the focus for PE will be focusing on athletics throughout the summer term, building up to the whole school sports day.

### RE:

The children will be exploring the religion of Islam. They will focus on Mohammed, the importance of Mecca and what influences themselves and others.

### English:

In English the children will be focusing on the video clip el Caminante. Using this clip, the children will explore how music is used to dramatize and add tension. They also will write narratives that convey this tension. Additionally, the children will explore the myth of Pandora's Box.

### Music:

Children will explore the song 'chariots of fire' and the skills of playing this on a keyboard.

### History:

To compare and contrast the experiences of three different athletes from different periods of history; to describe changes across time; to explore the legacy of an ancient culture; to recognise the values demonstrated by people across history to achieve their goals

### Maths:

Year 5 and 6 will focus on volume and mass, length, height perimeter and area and geometry. Additionally, the children will continue to revise number basic skills.

Anything is Possible

Mo Farrah

### DT:

Year 5 and 6 will be making a robotic hand, which they will operate themselves. This is linked to the topic of still life in art.

### Geography:

In geography the children will be linking the Olympics to land usage and how a community is effected by these big events.

### Art:

Linked to the topic of Olympics, in art children will learn to draw still life linked to the human body.

### Science:

Linked to the Mo Farrah topic, the children will be looking at how to remain healthy linked to exercise and a healthy diet. The children will be planning a healthy diet plan for an athlete. Linked to this, the children will be investigating the hearts and how it works.

### Computing:

This project will take you through the steps to create your own Heroes and Villains style game using the program Scratch. As the hero of the game you will battle against the villain to collect diamonds and destroy each other's health.
